

Michigan Network for
**CHILDREN'S
Environmental
HEALTH**

- ❑ *Are you concerned about the health of your children or those in your community?*
- ❑ *Are you concerned about toxic chemicals in toys, your home, or the environment?*
- ❑ *Are you concerned about the impacts that toxics may have on child development?*

Please Join Us to Take Action for Children's Environmental Health!

- WHAT:** This **Civic Engagement Training** is for parents and professionals who want to learn more about the impact of toxic exposures on child development and how to ask elected officials and government leaders to do all they can to protect our children.
- WHEN:** Saturday, October 11, 2008 from 10:00 a.m. – 12:30 p.m.
- WHERE:** Child and Family Services, 3785 Veterans Drive, Traverse City
- RSVP:** To register, visit www.ldaofmichigan.org/healthychild.htm, send an email to jackie.igafoteo@ldaofmichigan.org, or call (517) 936-3370 (in Traverse City call (231) 929-4665).

**Lunch and childcare will be provided at no charge with RSVP.
Please specify when registering if childcare is needed.**

This event is free and open to all who register!

This training is sponsored by the Michigan Network for Children's Environmental Health (MNCEH), in conjunction with the Learning Disabilities Association (LDA) of Michigan's Healthy Children Project, Michigan Council for Maternal and Child Health, and the Association for Children's Mental Health (ACMH). This training is supported by grants from the Beldon Fund, the John Merck Fund, and the Johnson Family Foundation. For more information on MNCEH, visit: www.mnceh.org.
