

# The Learning Disabilities Association of Michigan's Healthy Children Initiative Grant Application

The Learning Disabilities Association of Michigan is pleased to offer grants to 501(C) 3 non-profit organizations located in Michigan for educational programs/events/materials which will help inform key stakeholders of the existing and emerging science linking certain chemical exposures to learning, behavioral, and developmental disabilities. Priority will be given projects which target families and disability groups and/or promote action towards creating a healthier environment for all children.

Grantees will be responsible for submitting a final project report, documentation of all expenditures, and copies of materials produced. **Maximum award \$400. Currently open for applications.**

**Submit completed application to:**

**LDA Healthy Children Project, c/o ACMH, 2465 Woodlake Circle, Suite 140, Okemos, MI 48864 or
